Below are the emails, as shared on the Monday, June 16, 2008 Conference Call.

**EMAIL #1 -- NOTE: THIS MESSAGE IS FOR EVERY SINGLE BEAUTICONTROL CLIENT/CONSULTANT -- PLEASE READ!!!**

GAS PRICES got ya stretching your budget?? Here is something to think about....

Don't you agree that you are using the BEST products ever??!!

Do all the women in your life know about BEAUTICONTROL???

If you introduce just one friend to the skincare this month -- you would put \$38 + in your pocket....

If you introduce one friend to the TFF -- the new fabulous Tight Firm and Fill product that my clients are completely excited and raving about -- you will pocket \$25 every time you sell one of those products! Could you use an extra \$100 this month??? Do you have 4 girlfriends to get excited about the prospect of getting their cheekbones back and getting rid of those deep folds from around the nose/mouth???

If you introduce one friend to the Skincare/ Repair / and prevention this month...you will put around \$110 in your pocket!!! -- HOW EASY IS THAT???? (when is the last time you took your family out to a nice meal...that would cover it! -- one person!!)

Think about this for a minute....I sell 1 nourishing eye pads...I put \$8.50 in my pocket...that was easy...who do you know working part time for less than that per hour???

If I share The Instant Manicure and Extreme Repair for hands with just one person in my life who has horrible cuticles and nails.....I throw \$20 in my pocket! Do you make \$20 every hour??? I just made that with one 5 minute phone call!!

(tip: invite over 3 girlfriends and make over \$300 when they get excited about our SKINCARE/REPAIR/PREVENTION Products!!)

OK...you get the picture...don't assume your girlfriends don't need the same wonderful products you are using...don't assume you can't make a way to buffer the little bit of month that might be more than money these days...THIS IS YOUR ANSWER!! Just pull out that Black Bag of Magic and go spa your neighbor, co worker, friends and family this weekend when you get together for Father's Day!!

BeautiControl is your personal ATM Machine!!ANY TIME MONEY!! WHY NOT?????

I believe these are the best products available and I believe someone out there needs not only these products...but the opportunity to change not only their skin but their entire lifestyle!!

(20% sale ends on the 17th...then it is 10% off the skincare and repair -- savings reflected in the above)
